

# Five Year Service and Equipment Agreement

This agreement covers all office equipment to be replaced not repaired

Computers

Monitors

Copy Machines

Fax Machines

Peripheral Devices

Phones and Phone Systems

Security Devices and Systems

Any other electronic devices within the office.

This agreement also covers any software or operating system upgrades.

This agreement also covers any new equipment that may be needed to do business.

According to our records some of your equipment was replaced February 2019 and will be due to be replaced again February 2022 and again February 2025 so under this agreement your equipment will be replaced twice under the terms of this agreement.

Our records also show numerous service calls that were not covered then but will be under this agreement now, which means no charges of any types will be billed.

This agreement also covers On-Site Technical Support for all

Officers of the corporation but does not cover their personal equipment.

It will cover any changes of Officers of the Corporation for the next five years of this agreement.

This agreement covers the following current Officers for Technical Support:
